Technic, Imaging Division Appoints Joachim Limage Imaging Manufacturing Manager

Cranston, RI, USA - Technic is pleased to announce the appointment of Joachim Limage as Imaging Manufacturing Manager, effective January 6, 2021. Joachim will be located at Technic's Century Drive manufacturing facility in Woonsocket, RI. Joachim brings 32 years of manufacturing and engineering operations experience, along with database development and administration experience, in the blended polymer manufacturing industry. Joachim is a graduate of the University of Massachusetts and holds an M.S. degree in Polymer Engineering.

Joachim Limage
Imaging Manufacturing Manager

“We are pleased to welcome Joachim to our Imaging team. Joachim brings excellent manufacturing management experience and skills. We look forward to his contributions to strengthen and improve our manufacturing operation and product quality. Joachim's extensive engineering background and operations experience will enable Technic to bring world-class solder mask /liquid coverlay products to our flex PWB customers and OEMs.”

- Tom Horigome
Global Director - Technic Imaging Division
