AUTOMATED EQUIPMENT

- Tab Plater - Mini FFP (Bulletin 1401)
- Rim Runner and other hoist systems (Bulletin 1409)
- Cantilever/sidearm hoist systems (Bulletin 1413)
- General hoist systems catalog (Bulletin C-14-5)
- Fast Finger Plater - FFP (Bulletin C-14-1)
- Condensation solder reflow system (Bulletin C-17-1)
- Semiconductor cut strip plating systems (Bulletin - FA)
- Tri-Axis robotic transport systems (Bulletin 1411)
- The Tumbleplater (Bulletin 902)

PLATING BARRELS

- Sterling (Bulletin 900)
- Portable (Bulletin 903)
- Vibarrel plating systems (Bulletin 901)

ELECTROLYTIC METAL RECOVERY SYSTEMS

- Silver reclaim system (Bulletin 1103)
- Electrolytic precious metal recovery system (Bulletin 1102)
- Gold Saver electrolytic model 105 (Bulletin 1104)
- ELR System (Bulletin 1501)

HEATING & COOLING

- Electric heaters and steam coils (Bulletin 200)
- Solenoids, insulators & accessories (Bulletin 200)
- Temperature controllers (Bulletin 200)
- Low solution level controls (Bulletin 200)

CLEANING EQUIPMENT

- Ultrasonic aqueous cleaning equipment (Bulletin 400)
- Automatic aqueous cleaning systems (Bulletin 401)

PROCESS CONTROL

- Digital amp hour meters (Bulletin 800)
- Intelligent[®] amp hour meters (Bulletin 806)
- Chemical feeders (Bulletin 802)
- Rinse water controllers (Bulletin 1602)
- The Totalizer amp hour meter with timer (Bulletin 804)
- MPS Process Scheduling Software (Bulletin 1410)

TEST EQUIPMENT

- Hull cells and accessories (Bulletin 1200)
- Thickness measurement - Microderm (Bulletin 1202)
- Hand held temperature & pH meters (Bulletin 1609)
- Nickel test kits (Bulletin 1201)

PRECIOUS METAL ION EXCHANGE RECOVERY SYSTEMS

- RF-64 gold saver (Bulletin 1100)
- RF-20 gold saver (Bulletin 1105)
- Fogging gold saver (Bulletin 1101)

DRYERS

- Centrifugal - floor model (Bulletin 1611)
- Top loading (Bulletin 1608)
- Centrifugal - tabletop (Bulletin 1610)

MANUAL EQUIPMENT

- Polypropylene tanks (Bulletin 500)
- Semiconductor wafer plating cells (Bulletin 2000)
- Rim Runner manual hoist systems (Bulletin 1409)
- Modular plating systems

CLEAR COATING EQUIPMENT

- TechniClear coating system (Bulletins 1612 and 1613)

MINIATURE LAB PLATING EQUIPMENT

- Miniature plating plants (Bulletin 100)
- Miniature equipment and accessories (Bulletin 101)
- Miniature filter systems (Bulletin 100)
- Mini vibratory finishing equipment (Bulletin 100)
- Plating Solutions / anodes for mini plating plants (Bulletin 102)
- Brush plating equipment - portable & benchtop (Bulletin 306)
- Brush plating solutions (Bulletin 302)

ANODES

- Platinum clad mesh or rod materials (TDS)
- Anodes, anode bags, anode hooks (Bulletin 1001)

WASTE TREATMENT

- Atmospheric evaporators (Bulletin 1106)
- Electrolytic reclaim units
- Ion exchange

RECTIFIERS

- Laboratory and benchtop rectifiers (Bulletin 300)
- Constant current/ constant voltage rectifiers (Bulletin 300)
- Manual & motor driven powerstat controls (Bulletin 300)
- Pulsed and pulsed periodic reverse rectifiers
- Tap switch models (Bulletin 300)

SUPPORT EQUIPMENT

- Air compressors, blowers & spargers (Bulletin 1601)
- Automatic unloader system for FFP (Bulletin 1405)
- Automatic loader system for FFP (Bulletin 1404)
- Carbon filter tubes (Bulletin 706)
- Wound filter tube (Bulletin 701)
- Cathode rod agitation systems (Bulletin 1600)
- Dipping baskets (Bulletin 1000)
- Drum pumps - manual and electric (Bulletin 702)
- Pumps - magnetic drive (Bulletin 704)
- Timers - solid state (Bulletin 803)
- Timers - digital (Bulletin 805)
- Electrostripper III (Bulletin 1408)
- Filter systems (Bulletin 700)
- Floor grating (Bulletin 1604)
- The Liquidator automatic taping system (Bulletin 1700)
- PC finger scrubber - benchtop model TS-6 (Bulletin 1606)
- Printed circuit racks (Bulletin 1603)
- Pumps - sealless immersible centrifugal (Bulletin 705)
- Selective plating pens (Bulletin 304)
- Tank saddles (Bulletin 1600)
