Technic Appoints Adam Hill, Central US Regional Sales Manager for Equipment

Pawtucket, RI USA - Technic Equipment Division is pleased to announce the appointment of Adam Hill as *Regional Sales Manager*. Adam brings with him an extensive background in capital equipment sales, business development, strategic marketing, and customer support.

With over 30 years of experience throughout the Central and Western US, Adam has built a significant network and forged well-respected relationships with a broad range of manufacturers, from small regional operations to global Fortune 500 companies. Adam's experience includes plating operations, production, project development, and equipment installation. He has previously collaborated directly with Technic staff on projects for continuous plating lines and hard chrome applications.

*Adam Hill – Central US Regional Manager,
Technic Equipment*

“Adam is a welcome addition to our sales team and brings with him an excellent portfolio of managerial and marketing experience. We look forward to his contributions to our strategic plan for market growth as well as improved service for our existing Technic customers.”

Peter Ribbans – VP / General Manager, Technic Equipment Division

About Technic

Technic Inc. is a Rhode Island based corporation with over 950 employees worldwide. For 75 years, Technic has been a global supplier of specialty chemicals, custom finishing equipment, engineered powders, and analytical control systems to the electronic component, printed circuit board, semiconductor, industrial finishing and decorative industries. Technic is also a major supplier of engineered metal powders to the solar industry.
