Michael Currie Appointed Technical Sales Manager for Technic Canada

Ontario Canada – Technic is pleased to announce the appointment of Michael W. Currie as Technical Sales Manager for its Canadian operations. Michael will assume the management of Technic Canada's entire product range.

A graduate of Guelph University in 1989 with a Bachelor of Science in Chemistry, Michael has almost 25 years' experience in wet process technologies for PCB, Semiconductor, and Electronic applications.

Michael's previous experience as Panel and Pattern Plate Product Manager for Atotech and Technical Sales and Engineering Support Manager at MacDermid make him uniquely qualified to represent Technic's complete line of advanced chemistry, equipment, and analytical support services.

"With Michael's extensive experience and understanding of the Canadian electronics customer base, we are excited to have Michael join the Technic team as we expand our operations and market share in Canada."

Steve Schaefer – Technic Chief Operations Officer

About Technic

Technic Inc. is a Rhode Island based, privately held corporation with over 900 employees worldwide. For over 70 years, Technic has been a global supplier of specialty chemicals, custom finishing equipment, engineered powders, and analytical control systems to the electronic component, printed circuit board, semiconductor, industrial finishing and decorative industries. Technic is also a major supplier of engineered metal powders to the solar industry.
